Required Prerequisites and Student Equipment

- **To be eligible to take the GLOCK Instructor Workshop, you must be a current Military or Law Enforcement Firearms Instructor, NRA Law Enforcement Firearms Instructor Certified or have completed the GLOCK Operator Course with a Level 2, 3, or 4 evaluation score.**
- The student will provide a GLOCK pistol with no modification other than sights or external cosmetics. Pistols with modifications that could render the pistol less safe than it was originally produced are not allowed.
- The student will provide a strong side, belt supported holster which covers the trigger and trigger guard. Duty holsters are highly encouraged, but not required.
- The student will provide a Magazine carrier(s) with or without flaps, capable of carrying two magazines and a minimum of 3 magazines.
- The student will provide a belt capable of supporting the weight of the holster, pistol, and magazines.
- The student will provide Eye protection, hearing protection, and a hat or ball cap with a brim or bill to prevent fired cases from landing behind the shooters glasses.
- The student will provide 1,000 rounds of factory loaded ammunition of the proper caliber.
